Dear Student,

As the Student Health Benefit Plan has grown, we are mindful about the importance of feedback from students enrolled on the plan. For this reason, the Office of Student Health Benefits is assembling a Student Health Benefits Advisory Committee. This committee, in consultation with the Office of Student Health Benefits administrative team, will be charged with the overall review of the University sponsored Student Health Plan and will be called upon to make recommendations for the design of benefits.

We are seeking representation from students who are currently enrolled in or have been previously covered by the Student Health Benefit Plan (SHBP). We are hoping to gather a diverse group of students to include individuals from all U of M campuses, undergraduate students, graduate students, domestic students and international students.

The Student Health Benefits Advisory Committee will meet approximately three times during the spring semester. The meetings will be held at Boynton Health Service (or via conference call for outer campus students) and are scheduled for the following dates:

- January 28, 2016 from 3:30 – 5:30 pm
- February 11, 2016 from 3:30 – 5:30 pm
- February 25, 2016 from 3:30 – 5:30 pm

If you are willing to serve on this committee, and are available during the above times, please complete the Student Health Benefits Advisory Committee online application, found here. **Applications will be accepted through December 18, 2015.**

Please feel free to contact the Office of Student Health Benefits if you have any questions, by phone at (612) 624-0627 or by email at umshbo@umn.edu.

Thank you for your consideration,

Susann Jackson
